Systems Engineering Management with Systems & Program Management Focus
Commencing Wednesday, 3 April 2024
Program Delivered via Distance Learning
Sponsor Code: Open Enrollment (722-243P)

The Naval Postgraduate School's Department of Systems Engineering is pleased to announce the offering of a Systems Engineering Management (SEM) Master's Degree with Systems & Program Management focus designed for those serving on systems integrated development teams that may lack or have limited technical backgrounds and is open to military officers, federal employees and Defense contractors.

Delivery
The SEM degree is a part-time distance learning program. Courses are delivered synchronously using Zoom for Gov and MS Teams virtual tools. Classes will be held Wednesdays and Fridays 0800-1100 Pacific Time. To participate, students require Internet access and a PC microphone (or call in on teleconference line). A PC camera is optional. No special software is required to use Collaborate, which is compatible with NMCI.

Degree
Students who successfully complete the program earn a Master of Science in Systems Engineering Management. Students also earn Certificates in Systems Engineering (282), Advanced Acquisition Studies (218) and Systems Integrated Development (171) as well as DAU fulfillment for Program Management Practitioner.

Eligibility
Undergraduate degree (BA, BS, other) with 2.2 GPA

Tuition
The tuition price is $2,750 per course. NPS is mission funded for qualified active duty Navy and Marine Corps officers (tuition free). Students or commands are expected to purchase books. To include books, add $250 fixed price per course.

Note: SE offers tiered pricing options to sponsors who commit to fund a cohort of 25 students or who fund 50 or more students in any combination of our DL programs. For details, refer to AY24 SE-DL pricing guide or contact Dr. Wally Owen.

To apply
Applicants should visit the SPM website and under the Quick Links, select Apply Now. The SEM Non-Resident program is Curriculum 722. Candidates are applying for Academic Year 2024, Quarter 1 and should type the sponsor code of 722-241P in the Comments section of the application. A Participation Agreement signed by a command authorizing official is also required. The application deadline is extended to **8 January 2024.**
